## WELCOME

*I would like to welcome anyone interested in Angus Plus, Red Brangus or Red Angus to our Second Annual "Source for Success" Sale. I am happy to say that this sale is heading in the direction, I planned a production sale. Most of the cattle being sold, were born and raised at R2 Ranch. Next year, I hope to say that almost all were bred here as well. I am very excited about the future of red cattle, particularly those with some ear. I want to raise cattle that will be capable of doing more with less. I feel we are starting to make progress in this direction. It will take us years to get where we are going. The M&M cattle we purchased from the Morrows are capable of doing as much if not more than any other red cattle I have seen. But some of them need more input than I am going to give them. The Red Angus cattle that I purchased from Roy Beeby are low maintenance, but some of them do not produce enough and some cannot tolerate the heat. As we continue to cross and combine these lines and others from Glacier Red Angus, Section M Ranch, Dogwood Creek, McClanahan Ranch, Buffalo Creek, Beckton, Leachman, Shamrock Nook, Swaner Brahmans, and many others, we plan to develop the fertile, heat-tolerant, easy-keeping, high-grading red cattle, that everyone needs.*

*We have had many changes in the last year. I would like to welcome our Cattle Operations Manager, Doug Marburger and his wife Gay. I know I speak for all of us at the ranch when I say that we are very happy and very lucky to have Doug come join us. We have a new sales manager this year John Joyce of "J" Custom Fitters and John has been a great help in pulling this all together. As always all of us are available to assist you in any way we can.*

*Thank you,*

*Richard Luciano, President  
R2 Ranch, LLC*

LOT 1 is your choice of two great Red Brangus cows M&M Lisa 139/9 or M&M Ms. 201/41. Lisa 139/9 was the Grand Champion female at Houston in 2000. She is a Golden Boy daughter with style and capacity to spare. Lisa's dam was Miss WF 113/9. She was another one of the most productive cows in the Morrow's herd. Unfortunately she died calving in the fall of 2001. We have two sisters of Lisa's retained in the herd. Lisa is one of the great 1/4 blood donor prospects. 201/41 has a phenomenal production record, all of her calves that were in large contemporary groups have ratioed over 110% for weaning weight. Her first calf was a daughter, 201/6, who we still have in the herd. That plus having her twin sister are the only reasons we would consider letting you take home 201/41. Low birth weight with milk and growth 201/41 is what we are all looking for. 201/4 is a 33/64 Brahman eight year old donor cow.

# LOT 2

## Premier 1/4 Blood Herd Sire

### M & M Golden 3/0

 AHE Unapride 871-998  
**DAM:** AHE Bertha 976  
 AHE Umpire 700  
 AHE Bertha 191  
 AHE Catati Lady 745

An outstanding John Wayne daughter that was Champion at the 2002 San Antonio Junor Show and Reserve Champion at Houston in 2002. An example of the tremendous job this bull does.

**EPDs: BW 2.6 • WW 28 • YW 45 • Milk 7 • Total Maternal 21**

John Wayne is an eight year old 100% Red Angus herd sire. John Wayne's Red Brangus progeny have excelled in the show ring and the pasture. He had the Grand Champion Red Brangus get of sire in Houston in 2001. His son M&M Little John 30/8 was National Champion bull in 2000. His daughter 574/0 was Junior Grand Champion heifer in San Antonio in 2002 for Charlotte Atkinson. His progeny work in the show ring and in the pasture. We intend to continue to use him heavily. We own 2/3 interest and full possession and are offering to you today 1/2 interest and full possession.

% Brahman 3/8

SIRE: PFR 509/6 DAM: JME 61/6  
MGS: Mear's New Trend 41/3

61M is a 3/8 heifer going back to Paleface Ranch (X Bull) and Ed Mears (New Trend 41/3). These old time Red Brangus genetics can still work when used right.

Purchaser \_\_\_\_\_ Price \_\_\_\_\_

## Spring 2002 Red Brangus Show Heifer Prospects

Lots 17, 18, 19, 20 & 21 are all calves from RA Brown None Better 413. This was Bruce Monroe's senior Red Angus herd sire at Section M Ranch. This bull worked. We could have put any of his daughters in the sale. Unfortunately the bull was injured and is no longer alive. These five and the bred heifers from him we are selling later will probably be your only chance to get these genetics that work. Section M cattle are fertile, easy keeping mothers. The kind we all need. And these 5 heifers are showy to boot.

### Lot 17 Red Brangus Heifer 193M

DOB: 2/6/02 BW: 68 ARBA Pending  
% Brahman 1/4

SIRE: RABR None Better 413

**ST 6 • BW -0.8 • WW 11 • YW 22 • MLK 12 • TM 17 • RAAA**  
**Frame Score 5.5 • Yearling Scrotal 33.9**

SIRE: SR 718  
 DAM: MM 280/5  
 MGS: DBJ 025/1

280L is a son of Larson SkyRocket 718, a Red Angus bull that the Morrows purchased from Larson. SkyRocket has had some of the best ultrasound carcass data on his calves, unfortunately his EPDs won't be updated until next spring. 280L is an off percentage 1/4 blood bull. He had a 121% RE Ratio, 99% IMF Ratio and 80% Rump Fat Ratio.

Purchaser \_\_\_\_\_ Price \_\_\_\_\_

### Lot 94 Red Brangus Bull 703L

**DOB: 2/21/01 • % Brahman 129/512 • ARBA 118397**

**ST 0 • BW -0.4 • WW 17 • YW 25 • MLK 2 • TM 20 • RAAA**  
**Frame Score 6.2 • Yearling Scrotal 27.9**

SIRE: MM 548/9  
 DAM: MM 703/7  
 MGS: NeoSho TopGun C452

703L is another off percentage 1/4 blood, this time a son of M&M Headstart 548/9 (2002 Houston Livestock Show Grand Champion Bull). Headstart has produced some high birth weight calves, but 703L is not one of them. 703L had a 96% REA Ratio, 125% IMF Ratio and 97% Rump Fat Ratio.

Purchaser \_\_\_\_\_ Price \_\_\_\_\_

# Red Brangus and Angus Bulls

## Lot 95

### Red Brangus Bull 714L

**DOB: 2/19/01 • % Brahman 61/256 • ARBA 118313**

**BW: 90 • Adj 205 Day: 709 • Adj 205 Ratio: 135**

**BW 2.7 • WW 33 • YW 45 • MLK 4.0 • TM 20.2 • ARBA**

**CED 4 • ST 0 • BW 1.8 • WW 37 • YW 54 • MLK 2 • TM 20 • RAAA**

**Frame Score 5.1 • Yearling Scrotal 33.2**

SIRE: MM 30/8

DAM: MM 714/7

MGS: NeoSHo Economizer E

714L is our final off percentage 1/4 blood today. He is a son of Little John 30/8. Little John has a great libido and does the best job getting cows settled. Little John's calves also perform a lot like his sire's (John Wayne).

Purchaser \_\_\_\_\_ Price \_\_\_\_\_

## Lot 98

### Red Angus Bull 9034L

**DOB: 3/8/01**

**BW: 50 • Adj 205 Day: 561 • Adj 205 Ratio: 100**

**BW n/a • WW n/a • YW n/a • MLK n/a • TM n/a**

**Frame Score 5.4 • Yearling Scrotal 32.6**

SIRE: Holden HiHo 574

DAM: SRN 9034

MGS: IMB Elway 938

9034 is a HiHo 574 son out of an Elway 938 daughter. HiHo semen is rare now and his progeny are excelling. Take this opportunity to get these genetics.

Purchaser \_\_\_\_\_ Price \_\_\_\_\_

## Lot 96

### Red Angus Bull 809L

**DOB: 2/9/01 • RAAA 816375**

**BW: 89 • Adj 205 Day: 490 • Adj 205 Ratio: 105**

**BW n/a • WW n/a • YW n/a • MLK n/a • TM n/a**

**Frame Score 4.5 • Yearling Scrotal 34.7**

SIRE: BJR Hivoltage

DAM: BJR 809

MGS: Buf Crk Barney 3474

809L is a Bootjack Ranch HiVoltage son out of a full sib to the Braveheart bull. He has a little more birthweight than I like to see in a Red Angus but he has grown out well.

Purchaser \_\_\_\_\_ Price \_\_\_\_\_

## Lot 99

### Red Angus Bull 9088L

**DOB: 2/2/01 • RAAA 816382**

**BW: 75 • Adj 205 Day: 492 • Adj 205 Ratio: 105**

**BW n/a • WW n/a • YW n/a • MLK n/a • TM n/a**

**Frame Score 4.6 • Yearling Scrotal 34.5**

SIRE: Galena 8010

DAM: FRR 9088

MGS: Red Patriot 519

9088L is a Galena 8010 son, we bought his dam as a bred heifer and this is her first calf. She's done a great job on her first try. 9088L had a 111% REA Ratio, 123% IMF Ratio and 141% Rump Fat Ratio.

Purchaser \_\_\_\_\_ Price \_\_\_\_\_

## Lot 97

### Red Angus Bull 9020L

**DOB: 1/30/01 • RAAA 816374**

**BW: 70 • Adj 205 Day: 512 • Adj 205 Ratio: 107**

**BW n/a • WW n/a • YW n/a • MLK n/a • TM n/a**

**Frame Score 5.2 • Yearling Scrotal 32.9**

SIRE: VGW Rambler 1000

DAM: SRN 9020

MGS: Larson Red Sun Rising

9020L is a VGW Rambler 1000 son that has performed as we want them to. From a moderate birth weight he grew quickly to ratio 107 at weaning. 9020L had a 106% REA Ratio, 121% IMF Ratio and 91% Rump Fat Ratio.

Purchaser \_\_\_\_\_ Price \_\_\_\_\_

## Lot 100

### Red Angus Bull 9285L

**DOB: 2/24/01 • RAAA 754047**

**BW: 75 • Adj 205 Day: 448 • Adj 205 Ratio: 109**

**BW n/a • WW n/a • YW n/a • MLK n/a • TM n/a**

**Frame Score 4.7 • Yearling Scrotal 31.7**

SIRE: SR 718

DAM: Lman 9285

MGS: Lman Frankly Red

9285L is another Larson SkyRocket son, this time a 100% 1A Red Angus. We have been very pleased with everything we see out of SkyRocket and plan to use him heavily in our Red Angus, Angus Plus and Red Brangus programs.

## TERMS AND CONDITIONS

Except for those stated in the terms and conditions below, there are no warranties, either expressed or implied, as to the merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction. The warranties and guarantees set forth in these Terms and Conditions are in lieu of all other warranties, either expressed or implied, and the remedies provided herein shall be the sole and exclusive remedy for the Buyer, or any party claiming through the Buyer, for any breach of warranty or guarantee herein provided, and all other obligations or liabilities.

- a) The following terms and conditions of sale are adapted from those recommended for use by all members of the Red Angus Association of America.
  - b) Copies of those terms and conditions of sale are available on request from the Red Angus Association of America. All cattle in this sale are offered according to the laws of the State of Texas. The right to bid, as provided under law, is reserved for all sellers unless otherwise announced.
1. **BIDDING:** The auctioneer in charge will settle any disputes as to bids, and his decision on such matters shall be final.
  2. **TERMS:** Terms of sale are cash unless satisfactory credit arrangements have been made with Sale Management prior to sale.
  3. **PURCHASER'S RISK:** Each animal becomes the risk of the Buyer as soon as sold, but it shall be the obligation of the Seller to see that animals are fed and cared for free of charge to Buyer, until loaded for shipment or until the expiration of 48 hours after the sale, whichever occurs sooner.
  4. **CERTIFICATE OF REGISTRY:** A transferred certificate of registry will be furnished to the Buyer for each animal.
  5. **HEALTH:** All animals are eligible for interstate shipment, except as otherwise announced. Interstate health papers will be furnished for each animal requiring tuberculosis and brucellosis tests in accordance with Federal Regulations.
  6. **A.I. / NON-OWNER BULL PERMITS:** A.I./Non-Owner Bull Permits shall be furnished by the Seller, at no cost to the Buyer, for all females bred artificially or naturally to bulls not owned by the Seller.
  7. **ANNOUNCEMENTS:** Any changes from information of any kind in this catalog will be announced from the auction box and such announcements shall take precedence.
  8. **BREEDING GUARANTEE:**
    - a) All animals are guaranteed by the Seller to be breeders, with the exception of:
      - b) Calves under 12 months of age.
        - ii) Animals shown by the purchaser after the sale. The breeding guarantees, if any, shall be as agreed upon between Seller and Buyer.
        - iii) Gross negligence or will misconduct on the part of Buyer.
      - b) Bulls are guaranteed breeders if not allowed to run within herd until at least 14 months of age. Any bull that either, (1) settles one-third or more of the healthy cows he serves, (2) is the sire of 20 or more animals, or (3) settles cows by natural service and passes a fertility test made by a competent veterinarian during any six-month period of trial (provided for in paragraph 10b of Options and Privileges of Return or Adjustment, in this section) shall be considered a breeder. Any guarantees with respect to the ability to freeze semen shall be by separate agreement between Buyer and Seller.
      - c) Safe in Calf Females have been examined by a competent veterinarian and are so guaranteed.
      - d) Served females are believed to be in calf but are not so guaranteed.
      - e) Pasture-bred Females have been exposed but are not guaranteed to be safe in calf.
      - f) Open females have not been served and are so guaranteed.
  9. **IDENTIFICATION:** Seller offers each animal with readable tatoos or brands corresponding to its registration.
  10. **OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT :**
    - a) All claims for adjustment or refund must be made in writing within six months of the sale date or not later than six months after the animal reaches 18 months of age, with the exception of claims involving defects of parentage.
    - b) In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm/ ranch of the Seller if in good condition and complying with the health requirements of the Seller's state. The Seller shall be entitled to six months trial following the return of the animal in which to prove the animal is a breeder. If at the end of six months the Seller is unable to prove the animal is a breeder, the Seller, at the option of the Buyer, shall replace the animal with another of equal value or refund the purchase price. The return of the full purchase price shall in any case be deemed full satisfaction and settlement. Any expenses incurred for transporting an animal claimed to be a non-breeder shall be the responsibility of the Buyer; except that the Seller shall be responsible for transportation cost in excess of the distance between the Buyer's farm/ranch and the location where the sale took place. If the Seller proves the animal to be a breeder, it shall be the obligation of the Buyer to take delivery of the animal and pay all expenses incurred for transportation.
    - c) If a female sold as safe in calf proves not to be in calf, the Buyer may receive service from the bull previously used. If the bull is not available, the Seller shall be obligated to make a satisfactory adjustment to the purchase price upon return of the animal to the farm/ranch of the Seller. Any adjustment provided for herein shall absolve the Seller from further liability, except in the case such female proves to be a non-breeder. If a female represented as safe in calf at time of sale proves to have been bred to a different bull, the Seller shall be obligated to make a satisfactory adjustment on the purchase price upon return of the animal to the farm of the Seller (adjustments shall not be considered to be a breeding fee or an allocation of the purchase price to any unborn calf). Any expense incurred for transportation shall be the responsibility of the Buyer, except that the Seller shall be responsible for transportation cost in excess of the distance between the Buyer's farm/ranch and the

location where the sale took place.

**11. DEFAULT:** In the event the Buyer defaults on payment, the Buyer shall be responsible for all costs, including attorney's costs, incurred by Sale Management or Seller in connection with collecting, or attempting to collect, payment due.

**12. GENETIC DEFECT AND PARENTAGE GUARANTEE**

- a) All animals are guaranteed by the Seller not to produce calves with the following defects: DWARFISM, DOUBLE MUS CLING, PARROT MOUTH, OSTEOPETROSIS (marble bone disease) and SYNDACTYLISM (mule foot). The parentage of all animals bred by the Seller is guaranteed to the extent that the animal is by the sire and out of the dam that is indicated on its registration paper. These guarantees are effective for a period of two years from date of sale only under these conditions:
  - i) The Buyer shall notify the Seller in writing immediately upon birth of calf suspected of being defective or immediately after determination is made that such calf is defective, or if parentage is suspect or found to be in error.
  - ii) The Seller, at his expense shall be permitted, and provided with reasonable opportunity, to obtain blood samples of alleged defective calf and its sire and dam for the purpose of DNA or blood type analysis to establish parentage. In the case of suspect parentage, the Buyer, at his expense, shall be permitted, and provided with reasonable opportunity, to obtain samples of the animal in question and its sire and dam for the purpose of DNA or blood type analysis to establish parentage. If sire and dam, as indicated on the animal's Registration Certificate, are proven to be in error by such analysis, Seller shall reimburse Buyer for cost of such analysis.
  - iv) The animals will be returned by the Buyer to the Seller at the Buyer's expense, provided the animals meet the health requirements of the Seller's state.
  - v) The replacement of an animal with another of equal value or the refund of the purchase price in connection with a defect producing animal or an animal whose parentage is in error shall be deemed full satisfaction and settlement.
  - vi) In the event there is a dispute as to whether or not a calf is defective, or parentage is in error, determination referred to in above, shall be made by a person or persons acceptable to both the Buyer and Seller, and in the event the Buyer and Seller cannot agree on the selection of such a person or persons then each of them shall appoint a representative to

make the determination. In the event that such representatives fail to agree, a third person selected by the representatives of the Buyer and Seller shall make the determination.

**13. SELLER'S SEMEN RIGHTS:** Any semen rights retained by the Seller must be announced from the auction box at the time of the sale, if not already printed in the sale catalog.

**14. RIGHTS AND OBLIGATIONS -**

- a) The above terms and conditions of sale shall constitute a contract between the Buyer and Seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.
- b) Unless specifically stated herein, neither the Sale Management nor the Red Angus Association of America shall have any liability for any event or occurrence related in any manner to this sale. All persons who attend the sale do so at their own risk. The Seller, the owner of the sale facility, and sales manager assume no liability for accidents that may occur.

**Map to Guadalupe Cattle Company • 1146 Highway 46 S**

The map shows a network of roads connecting four cities: Austin, Houston, San Antonio, and New Braunfels. Austin is at the top, Houston at the right, San Antonio at the bottom left, and New Braunfels in the center-left. I-35 runs north-south through Austin and New Braunfels. I-10 runs east-west through Houston and Seguin. Highway 46 runs east from New Braunfels to Seguin. A small black rectangle representing the Guadalupe Cattle Co. facility is located on Highway 46, 2 1/2 miles east of New Braunfels. Two large circles containing the text 'R2' are positioned on the left and right sides of the map.

If you are flying to the sale you are 20 minutes from the San Antonio Airport and 45 minutes from the Austin Airport. Call us if you need transportation from either airport. From San Antonio Airport take IH 35 North to New Braunfels take Hwy 46 (towards Seguin) - Sale Facility 2 1/2 miles on right and from Austin take IH 35 South to New Braunfels take Hwy 46 (toward Seguin) - Sale Facility 2 1/2 miles on right.
